Re: LightSquared Subsidiary LLC
Ex Parte Communication. IB Docket No. 11-109
IBSF File No. SAT-MOD-20101118-00239

Dear Ms. Dortch;

I am OPPOSED to LightSquared's request to affirm its' license.

This will cause damages to hundreds of thousands of people who use GPS in their business and personal lives.

We are a small civil engineering and land surveying firm that uses GPS extensively for our private and public clients. Granting LightSquared's request will put our ability to provide high accuracy information to our clients at risk.

PLEASE do not grant their request. Assign them to a place on the spectrum where GPS is not affected.

Sincerely,

Kevin D. DeSain PLS
